- Use as a review of vocabulary, spelling words, PSSA/Keystone vocabulary
- This activity can be a guided classwork activity or an independent activity, or do in teams
- Make it easier by: providing students with definitions, drawing pictures rather than words, giving them a page with words and definitions to cut out and glue onto the study sheet
- Make it harder by: requiring more than a definition, use synonyms, antonyms, phrase clues
- Color coding aides in memorization
- Hands on activity good for tactile learners
- Have students read the words as they are writing for auditory learners
- Can be used for any subject.
- Doesn't require a lot of prep time.
